Obion County
Joint Economic Development Corporation

Annual Report
2016
In the past there were two chartered organizations operating within Obion County with the responsibility of generating new growth in the areas of Tourism, Housing, Commercial, and Industrial Development (The Obion County Chamber of Commerce since 1922 and the Obion County Industrial Development Corporation since 1987). In many instances these agencies encountered duplication in both program delivery and expenditure. In an effort to improve efficiency in programmatic and budgetary areas, the two agencies formed the "Obion County Joint Economic Development Council" (JEDC) in early 2004.

The JEDC acts as the administrative organization of the Obion County Chamber of Commerce and the Obion County Industrial Development Corporation. The JEDC’s overall objective is to keep abreast of municipal and county government activities and legislation dealing with commerce or infrastructure and changes in the law that will affect retail or industry.

- Weekly Upcoming Event Emails
- Maintain Website
- Monthly Newsletter
- Resource kiosk – offering numerous brochures about Obion County

---

**Retail Recruitment & Retention**
- Maintain Retail Marketing Brochure
- Keep inventory list of buildings and land
- Attend retail trade shows
- Partner with TVA and West TN Retail Alliance
For the JEDC to become and remain an effective resource and advocate for the local community, the organization, its staff, and Board of Directors, we must establish and maintain an effective working relationship with the elected officials at the local, regional, state and federal levels. In addition, strong ties must be formed with regional, state and federal agency personnel to ensure the strongest advocacy possible for the local community. Active liaison activities between these groups is essential for success and is an ongoing integral part of the JEDC work scope. All state and federal agencies, private sector business development organizations, as well as regional advocacy groups distribute information to their membership and to the general population through regular and annual seminars and conferences. It is essential that JEDC staff attend all such events to keep abreast of new information program changes that will affect funds delivery or impact local business, and to maintain a strong relationship with service providers.

Dear Chamber Members, Staff, and Board of Directors,

I would like to thank our active members for their support in making our chamber one of the best in West Tennessee. As members and business partners, your involvement in our community and your support of other organizations, make Obion County a great place to live. Our chamber receives recognition and praise from other area chambers on a regular basis, and it’s mainly due to the hard work and dedication of Lindsay Frilling, our CEO and Lauren Bennett, our Membership Director. They strive to make all our members successful from small businesses to large industries. Our chamber has a committed and active board of directors, and I sincerely thank you for your service. Your time away from your careers to attend meetings and events is very much appreciated. I look forward to a prosperous 2017 for all our members, and I thank you for allowing me to serve as your Chamber President.

Sincerely,
Greg Dozier

Congratulations to White & Associates for celebrating 40 years in business this year!

Congratulations to Edmaiston-Mosley on their 10 year anniversary!

Congratulations Poplar Meadows Country Club on celebrating 70 years!
Breakfast with the President
Quarterly, new chamber members gather to have breakfast with our Chamber President, Greg Dozier. The goal is to engage our new members with one another and to inform them of networking opportunities available through their chamber membership.

Business After-Hours
Business After-Hours is for businesses to come together to network, shake hands, and socialize! The ultimate goal of the event is to build, strengthen and enhance relationships.

Obion County Fair Booth
The Chamber of Commerce likes to be present and active during other community events. We had a great time setting up our booth at the Obion County Fair this year!
TN Promise Mentor Lindsay Frilling addressed a group of TN Promise students at Dyersburg State's Bridge Program on Interview Preparation and Tips.

Our Membership Director, Lauren Bennett, had the opportunity to speak at the Kiwanis Club of Union City! She spoke about how being a member of the Chamber can benefit your business and you as a professional.

The WestStar Class of 2016 visited Obion County. The class toured Tyson Foods, heard from elected officials, and enjoyed a presentation on I-69 from the Commissioner of TDOT, the Port of Cates Landing and Discovery Park.
2016 JEDC ANNUAL BANQUET

We had a wonderful evening celebrating Obion County! We had over 300 attendees, gave out 8 awards to community leaders, and enjoyed an inspiring keynote speech by MIA Seating CEO, Darius Mir
This year, we had a record attendance of over 300 people! We had a wonderful night celebrating our home and the communities, businesses, and individuals that make it great! Thank you to the following sponsors: Union City Insurance, Commercial Bank, MIA Seating, White & Associates Insurance, Jerry Ward AutoPlex, Leaders Credit Union, Baptist Memorial Hospital, First Citizens National Bank, Don Sol Mexican Grill, and ATMOS Energy.
Social Media Series

This fall, we had our first social media series! September-December, we highlighted something local within Obion County: Play, Eat, Shop, Donate. Community members participated by using the hashtag specific to what month it was. They would take pictures of themselves or with friends and families and post to social media! Each month we had a grand prize drawing for a basket full of gift cards and business swag! We had a fun four months and the participation was awesome! There are so many unique things in Obion County and this was a fun way to showcase that!
Social Media Series
Economic Development Day

The day consisted of a presentation from the Obion County JEDC on Community and Economic Development followed by a presentation from Texas Gas. The group then toured Titan Tire, Everett-Stewart Regional Airport and Final Flight.

Legislative Day

The class visited our Tennessee State Capitol in Nashville. The class was welcomed by Secretary of State Tre Hargett, Senator John Stevens, and Representatives Bill Sanderson and Andy Holt. Each of the legislators addressed the class followed by questions from the attendees.

ALOC is a unique opportunity with nine sessions that serve to acquaint Obion Countians with the many positive aspects of industry, business, education, the arts, medical care, media, local government and law enforcement in their part of the Volunteer State. Pictured is the graduating class of 2016. Phyllis Rauchle is the Executive Director of the program.

Thank you to our sponsors!
We had a great morning on July 26th at the Farm Bureau Agriculture Issues Breakfast! We were able to discuss ag issues on a local, state, and national level. We are so fortunate to have passionate farmers, landowners, and agribusiness professionals in Obion County!

The 2016 Farm Bureau Legislative Breakfast was a huge success! Reps. Bill Sanderson & Andy Holt, Sen. John Stephens all attended. This was a great opportunity for local landowners and agriculturist to hear what are legislators do to help our community.
Tennessee Gov. Bill Haslam and Economic and Community Development Commissioner Randy Boyd announced today that 15 communities will receive $5.7 million in Site Development Grants to prepare economic development sites for market. The Site Development Grant program is part of the larger Rural Economic Development Fund announced by Haslam and Boyd last October. The grants assist communities in finalizing infrastructure and engineering improvements for project ready certified sites. The grants are intended to help rural communities overcome barriers to site certification and prepare them to receive an economic development project. "Through this investment, we expect to see more opportunities and deal flow in rural Tennessee by assisting communities in overcoming obstacles for certification or by improving a Certified Site," Assistant Commissioner for Rural Development Amy New added. "We want to partner with communities to complete the finishing touches on their sites so that we see more gold shovels tossing the ceremonial dirt." An advisory committee made up of staff from the department, the Tennessee Valley Authority, the Tennessee Department of Environment and Conservation, the Tennessee Department of Transportation and the U.S. Department of Agriculture selected these 15 sites from a pool of 24 applications. The application process was competitive with grants awarded based on benefit to the community, economic impact and projected return on investment.

The Union City Northwest Tennessee Regional Industrial Center $450,000-Grading of approximately 15.5 acres to create a pad ready site for a 105,000 square foot building that is expandable to 200,000 square feet.

Frilling Receives Designation of Certified Economic Developer from the International Economic Development Council

Lindsay Frilling, CEcD, CEO of the Obion County Joint Economic Development Council in Union City, TN earned the designation of Certified Economic Developer (CEcD), a national recognition that denotes a mastery of skills in economic development, professional attainment and a commitment to personal and professional growth. The CEcD exam was administered by the International Economic Development Council (IEDC) on June 11-12, 2016 in Tulsa, OK. With seven years of economic development experience, Lindsay has facilitated the recruitment and retention of over 1,000 jobs in Obion County including:

- Institutional Casework, Inc.: Laboratory Equipment Manufacturer ($6.2M/200 new jobs)
- MIA Seating: Office Seating Manufacturer ($39.5M/510 new jobs)
- Greenfield Products: Custom Heavy Equipment Manufacturer ($6.3M/100 new jobs)
- MVP Brands: Candle Manufacturer ($2M/100 new jobs)
- Williams Sausage: Food Manufacturer ($3M/150 new jobs)
The Southern Economic Development Council (SEDC), the oldest and largest regional economic development association in North America, is pleased to announce Lindsay Frilling, CEO of the Obion County Joint Economic Development Corporation in Union City, Tennessee, as the state director of Tennessee on the SEDC Board of Directors. The state director will serve a two-year term on SEDC's board. Ms. Frilling will take the seat on January 1, 2016. Frilling is a dedicated long-time SEDC member for almost 5 years. She was chosen for this position by her peers within her state of Tennessee.

"I congratulate Lindsay on being elected to serve on SEDC's Board of Directors for 2016. The honor bestowed validates her leadership traits and dedication to the economic development profession. My goal is to work with the Board to ensure that we are providing value added programs or content that will benefit our members long term, both, personally and professionally! It is this commitment to excellence that enables this organization to maintain the tradition of being the standard bearer for economic development professional associations'. We are confident that Lindsay will assist us in facilitating our 2016 program of work, in addition to helping us chart our course for future programming," said SEDC 2016 Chairman Chuck Whipple.

Lindsay Frilling, CEO, Obion County Joint Economic Development Council, based in Union City, Tennessee, was presented with the annual Chairman's Award by the Southern Economic Development Council (SEDC). Ms. Frilling received the award at the SEDC Annual Conference held July 31- August 2, 2016 at the Sheraton Kansas City Hotel at Crown Center in Kansas City, MO.

SEDC 2016 Chairman Chuck Whipple presented Frilling this special award in recognition of her outstanding contributions and dedication to the association at SEDC's Annual Business Meeting and Awards Ceremony. "I was pleased to present the 2016 Chairman's Award to Lindsay Frilling," Whipple said. "I've witnessed the dedication and commitment to her professional development which has been extraordinary since she joined this organization in 2011."

In her SEDC volunteer role, Frilling has served two terms as the Alternate Director for Tennessee and will finish her term as the voting director for the state at the end of 2017. "Lindsay always brings enthusiasm, clear thinking and strong understanding to meetings and events and fully carries her responsibilities as a board member," Whipple stated. "She brings that same passion and drive to the development of the communities she serves."
Obion County ThreeStar Certification

Obion County was once again certified as a Three-Star Community at the Governor's Conference for Economic and Community Development. Lindsay Frilling accepted the plaque from Governor Haslam and Commissioner Boyd. Pictured left to right are Jody Sliger, Jo Ann Speer, Governor Haslam, Frilling, Rep. Bill Sanderson, Commissioner Boyd, Janna Hellums, Blake Swaggart, and Amy New.

USDA Rural Development

Marketing Grant

Members of the Obion County Chamber of Commerce and their guests gathered at the chamber office recently to celebrate receiving a $10,000 Rural Business Development Grant. Joel Howard, USDA Rural Development area director presented the check. The matching grant opportunity resulted in the chamber having $15,500 to assist with the development and purchase of various marketing materials and website upgrades. Marketing materials included a new podium for presentations, a new brochure rack, a retail brochure, jump drives, a camera, a video camera and a pop up banner to promote the area.

Workforce Development Meetings

Each quarter, the Obion County JEDC convened education and workforce officials to discuss regional education efforts and the existing and future workforce pipeline. Current programs are presented and potential ideas for strengthening the workforce are exchanged. This has been a successful workforce development effort for Obion County!
Obion County recognized again as one of the top places to live in Tennessee

A new study from SmartAsset has ranked Obion County as one of the best places to get a mortgage in the state. The financial technology company previously ranked Union City among the top 10 places to retire in the state.

SmartAsset factors:
- Overall borrowing costs
- Ease of securing a mortgage
- Cheap property taxes
- Cheap annual mortgage payments

Northwest Tennessee Regional Industrial Center Named "Best Small Town Industrial Site in Tennessee"

By Southern Business & Development Magazine

Obion County also received votes for:
"Tennessee's Best Local Economic Development Agency"
"Tennessee's Best Small Market Manufacturing Workforce"

This year, we had the opportunity to offer another benefit to chamber members by partnering with another membership-based program, Air Evac Lifeteam. AEL is part of AirMedCare Network, the largest air ambulance program of its type in the nation. The AMCN network currently operates more than (230) aircraft in (32) states. Locally, Air Evac Lifeteam operates air ambulance bases in Dyersburg, Martin, Jackson, and now right here in Obion County. Air Evac 143 began service in Troy on October 30th. With this partnership, all employees of Chamber Member businesses qualify for a discount on the membership offered by Air Evac Lifeteam! Discounted membership applications are available at the Chamber office, or feel free to contact Air Evac Membership Manager, Rick Perry, at 731.514.2568 or rick.perry@amgh.us. Rick is also available to discuss business plans for Chamber member businesses.
These Tennessee Reconnect Communities (TRCs) will join the three existing programs which launched earlier this year serving the regions of Middle Tennessee, Upper Cumberland, and the Southwest Tennessee region. Together, these eight centers will provide adults across Tennessee with free advising, career counseling, and a personalized path to and through college. The TRCs’ collective impact strategies engage higher education institutions, local government, local employers, community organizations, and adult learners alike.

"Through launching the first three Tennessee Reconnect Communities, we have realized how crucial locally-based collaboratives are in achieving the Drive to 55," said Jessica Gibson, assistant executive director at the Tennessee Higher Education Commission. "Our mission is to make these personalized advising services available to any adult Tennessean who wants to return to school to pursue a credential or degree."

This initiative is based on The Graduate! Network’s (TGN) proven model for improving outcomes for adult learners. TGN is a non-profit organization whose work is based on collective impact strategies and bringing together entities from different sectors to innovate ways to increase college attainment among adults. The partnership between Tennessee and TGN provides the communities with training, guidance, support, and information to develop sustainable and locally-focused Drive to 55 efforts for adults. Each TRC grantee will adapt this service model to their local context, unique strengths, community partnerships, and collaborations. As seen with the current TRCs, this will result in a community-based effort of service delivery to adults that is unique to each community’s needs and characteristics.

"There has never been a better time for adults in Tennessee to complete a certificate or degree," said THEC Interim Executive Director Russ Deaton. "The Tennessee Reconnect Communities are one facet of programs that will provide adults the support they need to guide them through the process of returning to higher education."

The most recent round of TRC grants was awarded to five regions across the state; grant amounts include start-up funds of $225,000 per community and include technical assistance provided through The Graduate! Network. Implementation will begin June 2016 and the community programs will launch in November 2016.

The grants were awarded through a competitive application process. The TRC grant program is administered by THEC and subgrants are funded by the State of Tennessee with technical assistance funded by Lumina Foundation.

* Northwest TN-Lead Organization: Obion County Chamber of Commerce-Counties Served: Dyer, Lake, Lauderdale, Obion

---

**OCCHS Hosts Obion County Workforce Development Officials**

George Leake, CTE Director for the Obion County School System recently invited workforce development officials to OCCHS to show off the school's career and technical education facilities. The culinary class prepared breakfast for the group while a nursing class demonstrated CPR skills.
Dear Local Chamber Members and Obion County Citizens,

As we transition into a new year, I would like to share with you a few roles our Chamber is striving to accomplish for our local industry and business communities. Some of these include, collaborating with state organizations that aid in the expansion and growth of local businesses, assisting in workforce development programs, and acting as a liaison between the business community and local, state, and federal governments. To help accomplish these roles, we recently hosted a Workforce Development breakfast where we introduced local industry and small business leaders to local contacts from our state organizations, programs, and business service consultants. Those leaders were:

Mr. Andre Temple - Solutions Consultant for the Center for Industrial Services (UT CIS)
731-425-4740, andre.temple@tennessee.edu

Marcia Fields - Business Services Coordinator for the NW TN Workforce Obion County Office
731-884-3868, fields@nwtnworks.org

Janna Hellums - Northwest Regional Business Development Consultant
731-986-4881, janna.hellums@tn.gov

Jackie Sand – Director of Northwest Tennessee Reconnect Community
731-592-0805, director@nwtnreconnect.com

George Leake – Obion County Career and Technical Director
731-885-9743, x 2051 – leakeg@ocboe.com

A portion of the above services are overlooked by industries due to the day to day operations and responsibilities they face in their respected businesses. The sheer number of programs available can be overwhelming, but they benefit both large and small businesses in our area. Some of the programs offered are: Recruitment and Training, Incumbent Worker Training Grants, Worker Opportunity Tax Credits, Growth, Sustainability, and Regulatory and Performance Solutions. Additional programs offer local contacts for Jobs4TN.gov, Lean Manufacturing & Six Sigma training, ISO 9001 & OSHA training, Tennessee Reconnect for adults wanting to go back to school, and Work Ethics Certification for Obion County High School students. When the chamber hosts these breakfasts and/or short meetings, we allow the presenters to introduce these services and programs so that the attendees can impact some of our local students, employers, job seekers, and current employees in Obion County. These programs help businesses succeed, grow, and create high quality jobs, develop a quality workforce system to meet the needs of area employers and job seekers, and help our state’s adults enter higher education to gain new skills and to advance in the workplace.

I hope you have a successful 2017, and I look forward to continuing serving as your chamber president. For more information about becoming a Chamber member, benefits of being a member, or questions about the above topics, please contact our Chamber Office at 731-885-0211.

Sincerely,
Greg Dozier
